PROFESSIONAL EXPERIENCE

Full Stack Developer | Self-Employed Ontario, Canada | Jan 2020 – Present

- Designed and built full stack web applications end to end: database schema, REST APIs, React frontends, and CI/CD deployment pipelines.
- Built reusable component libraries and design systems using React, TypeScript, Tailwind CSS, and shadcn/ui, always customizing to avoid generic UI.
- Integrated third-party services including Auth0, Stripe, and AI/LLM APIs using secure backend patterns.
- Wrote unit, integration, and E2E tests with Jest, React Testing Library, and Playwright; automated deployments via GitHub Actions and Vercel.
- Uses Cursor for scaffolding, debugging, and repetitive tasks; writes all feature code independently to maintain deep understanding of the codebase.

Key Projects:

- splitt.fund** — Bill-sharing app with full web interface and powerful PWA. Clean UX for splitting costs across groups.
- chatt.** — AI chat platform (Next.js, React, TypeScript); real-time messaging, state management, secure session handling.
- insight** — Microblogging platform; SSR via Next.js, performance-optimized, accessible, responsive UI.

Flutter Developer (Volunteer) | CodeKarkhana Pvt. Ltd. Remote | Sep 2022 – Jul 2023

- Built cross-platform mobile UI components in an Agile/Scrum team, achieving 95% device compatibility across iOS and Android.
- Reduced app load time by 30% through state management improvements, lazy loading, and targeted refactoring.
- Participated in code reviews, shared technical findings with the team, and maintained documentation for architecture and API patterns.

Full Stack Developer Intern | Cool Multipurpose Pvt. Ltd. Remote | Aug 2021 – Dec 2021

- Built React.js and Node.js features for a secure e-commerce platform, integrating Stripe and PayPal payment flows end to end.
- Improved overall system efficiency by 25% through component refactoring, query optimization, and cleaner API design.
- Contributed to daily stand-ups and code reviews in a fast-paced, cross-functional team environment.
